Dear Daylily Friends,

This is an informational letter about the **2012 Regional Meeting** to be held in Shreveport on May 31, June 1 and 2. Bobbie Hutchins and I will be co-chairman. Please share this with your members at your next meeting.

The meeting hotel is the Holiday Inn Downtown Shreveport (318-222-7717), 102 Lake Street. We have secured a room rate of \$99 (double occupancy) plus taxes. All breakfasts are “on your-own”. However, for guests registered at the Holiday Inn, there is a complimentary breakfast each day at the hotel for Holiday Inn Priority club members. You can join up at hotel registration, or at [www.holidayinn.com](http://www.holidayinn.com).

The registration fee will be \$140 adult and \$100 for youth (under 18). This will include Friday supper and Saturday Banquet at the hotel. Also, we will provide a noon meal at the end of bus tours on Friday and Saturday.

Our guest speakers will be David Kirchoff and Mort Morss so we will get the latest happenings from Daylily World and American Hemerocallis Society as well.

The Friday garden tour will include a trip to the Lily Farm now run by Mark Carpenter, a visit to Jack Carpenter, and Josie Bomar’s new garden. Saturday’s tour will be several small Bossier City Gardens ending at Plantation Point Nursery, on beautiful Caddo Lake, for lunch.

The Clarence Crochet seedling bed will be at Plantation Point Nursery, 10319 Caddo Lake Road, Mooringsport, La. 71060. Stanley Schikowitz will be looking for your seedlings (3 per person limit), (318-996-7077).

Any plants your members would like to donate for the Region 13 auction and boutique are to be sent to Tom Talley (318-846-2365, cell 318-422-4691). Tom runs Dynamite Daylilies at 9831 Highway 160, Shongaloo, LA. 71072.

We will have a “Hybridizers Roundtable” on Saturday afternoon. If you have any seedling pictures to share, send them to Sandy Nall (in a digital format) at 4205 South State Line Ave, Texarkana, AR, 71854. (870-772-8495).

Thank you for your support. Check the Regional web site for the registration form, schedule & more details as we work them out.
